2012-2013 Catering Guide

Steps to order any catering:

1. Contact the Food Service Office at 644-8183. Catered events must be booked through the Food Service Office. Sending your completed Food Request form to Michelle Hays in Fiscal Services does not ensure that your order has been placed in time. Before contacting us, please have a signed Food Request form and a completed P.O. We will need both numbers when you place your order if it is being paid for with District funds. If it is with personal funds, we will need the name of the responsible party, the name of the event, the date, time, location, number of persons to be served, and the menu for your event.

2. Catering orders that total less than $50.00 (excluding tax) will not be delivered and must be picked up at the assigned cafeteria. (Some exceptions may apply) If delivery is requested an additional $20.00 fee will be added.

3. All after hour catering requires a minimum of 50 participants. Events less than 50 participants require the approval of the Food Service Director.

4. For any event held away from our school campus, we will add 15 percent or more (depending on distance, time, day, or size of order).

5. Plan ahead: We must have 10 working days advance notice for each event.

6. Cancellation Policy: you must notify the Food Service office NO LESS THAN 72 HOURS before the event if you intend to cancel. For any Saturday, Sunday or Monday event, notification must be NO LESS THAN 5 WORKING DAYS before the event. If notification is not given within this time frame, YOU WILL BE BILLED FOR THE ENTIRE ESTIMATE.
